CONFERENCE DETAILS

FRIDAY, FEBRUARY 1, 2019

OFFICE ANESTHESIA EMERGENCIES
“How to Stay Off the Nightly News”

A comprehensive lecture review of sedation emergencies; Including preparation, prevention, recognition and management using the “anesthesia team” model.

Lecture Course Objectives:

- Learn new ways to help prepare your office to handle any sedation emergency
- Explore the use of cognitive aids with the dental anesthesia team model
- Understand the prevention, recognition, and management of airway complications
- Learn to use the new ADA “Ten Minutes to Save a Life!” Emergency Manual and new Mobile App
- In-depth review of the management of common sedation emergencies in the dental office
- Review of sedation regulations in Florida
- *Prepare yourself and your team for the high-fidelity emergency simulation training on Saturday*

Dr. Amanda Okundaye

Dr. Andrea Fonner

SATURDAY, FEBRUARY 2, 2019

***“High-Fidelity Anesthesia
Emergency Simulation Training”***

FDSA’s unique, immersive emergency simulation training is still the only course of its kind in Florida! The 6 hour, hands-on “high-fidelity” simulation training uses 3G SimMan computerized manikins, a concentrated 4:1 student:faculty ratio, and a group of highly experienced anesthesia faculty. This course is for doctors and their teams. Staff should be prepared ahead of time by their doctors, and maximum of 2 staff per doctor.
